What Can Lean Manufacturing Do For You?

1) Improve Customer Satisfaction
2) Raise Employee Morale
3) Boost Profits

Learn how Toyota became the largest car manufacturer in the world.

**MT 115 - Lean Manufacturing CRN 40930**

An introduction to the theory and practice of continuous improvement where students will learn to identify and eliminate waste, improve quality and increase efficiency in every area of operations. Students will participate in an actual Kaizen (or continuous improvement) event to make a change for the better in a real world setting.

Wednesday nights from 6 - 9 pm beginning January 25
