The CSU Chancellor Timothy White “strongly [urges] all DACA recipients whose status expires on or before March 5, 2018, to complete and submit a DACA renewal application before October 5, 2017. Renewal of your DACA status may be your only opportunity to obtain an additional two years of deportation protection and legal work authorization.” In his message, he also has denounced the Trump’s Administration to rescind the DACA Program.

OCOB Olympics is presented by CPAC and is held on September 30, from 10am-2pm on the Lower Sports Complex. It provides students a chance to network with over 75 professionals from 10 different firms in a non-professional environment. Rather than suits and blazers, students wear athletic clothing! It is a fun way to connect with professionals in a less-stressful manner.

And best of all, all proceeds are donated to San Luis Obispo's local charity Jack's Helping Hands.

Being featured in the next OCOB important dates email would really help our charity event! Register here.
